Vol 21, Issue 4
 April 2021

FROM TODD'S DESK

"Jesus said to her, 'Woman, why are you weeping? Whom are you looking for?' Supposing him to be the gardener, she said to him, 'Sir, if you have carried him away, tell me where you have laid him, and I will take him away.' Jesus said to her, 'Mary!'"

John 20:15-16a

Greetings and Happy April to you all!

We waited and anticipated and it's finally here! We spent the season of Lent in preparation, we spent Holy Week hearing anew the old story; longing and hoping and seeking, and now it has arrived. The stone has been rolled away, the tomb is empty, Easter has arrived, He Is Risen Indeed! So what happens now?

Have you ever waited for something, have you ever anticipated some event, have you ever longed for a thing and then, when it finally arrives, you find yourself at a loss? You have been expecting it, and now that it's here, you're just not sure what to do about it. Easter can be like that. We point to it, we wait for it, we anticipate it, we prepare for it, but then....

May we be moved by an adaptation of Jan Richardson's *Blessed*:

Blessed

May God, who comes to us in the things of this world,
 bless our eyes and be in our seeing.

May the One who looks upon you with deepest love,
 bless our eyes and widen our gaze.

May the One who perceives what is and what may yet be,
 bless our eyes and sharpen our vision.

May our eyes be blessed and may we see.

Let our Alleluias resound!

Pastor Todd

Church Office Hours

April Office hours :

- Mon, Tues, & Fri from 8:30 a.m. to 2:00 p.m.
- Wednesday 10:am to 5 pm
- Closed Thursday.

Sunday Worship Services

- Worship services are held at 10:0 a.m. via Facebook

CYF (Children, Youth and Family Ministry)

*“New life starts in the dark. Whether it is a seed in the ground, a baby in the womb, or Jesus in the tomb, it starts in the dark.”
-Rev. Barbara Brown Taylor*

And just like that it is Holy Week. Holy Week feels especially real this year - the anticipation of Joy in a time of deep grief. Yeah, I think we can relate to those feelings on a different level this year. I used to struggle with Good Friday and I still have a hard time with depictions of the passion, but this past year has been a study of finding hope in darkness. So while the instinct is to push past the sorrow and intensity of Good Friday and the uncertainty and quiet of Saturday to get to the celebration of Easter Sunday, the story of the Resurrection is so much more than the Alleluias of Sunday morning. This year we will be celebrating Palm and Passion Sunday apart from each other, but we will remotely join our own palms in love and community despite the distance.

Our Children, Youth and Family Community will be holding an outdoor **Easter Egg Hunt on April 3rd**. Masks will be required, and we will be following social distancing procedures to ensure that we are all being as safe as possible.

Thank you to everyone who logged on to the CYF Zoom Meetup for March. It was so wonderful to see and talk to you all. We are so excited to announce that our next Zoom Meetup is planned for April 18, 11:15-11:45. Details and the Zoom link are below.

Friends, we are so close. We will be together soon. Until then hold onto the hope and try to find peace in the darkness. We love you.

Topic: Lakeview Children, Youth and Family Meetup Time: Apr 18, 2021 11:15 AM Eastern Time

ACTION IN MISSION—(A.I.M.)

Childhood Food Solutions-- April Mission of the Month

Childhood Food Solutions is Lakeview's Mission for the Month of April. This small local program provides food for hungry children in a few neighborhoods in Cincinnati on weekends, holidays, and summer breaks, when school nutrition programs are typically not available. Public school food programs only account for 180 days a year, leaving 185 days when many children miss meals and go to bed hungry. The program was started by Tony Fairhead in 2007 by focusing on a couple of schools in a single zip code, 45225. The program has expanded over the years and now serves over 4,000 children in the Roll Hill, Millvale, Fairmount, and Price Hill communities, where the poverty rate is very high. (Tony Fairfield has recently retired as Executive Director but remains on the Board of Directors. The new Executive Director is Jen Kramer-Wine.)

The mission of the program: To find solutions for children running out of food, with the hope that these solutions can be duplicated by other organizations.

Food sacks, light enough for a young child to carry and small enough to be "hidden" in a backpack, are distributed through 10 schools or, during summer break, at strategic neighborhood sites. The sacks contain foods that require no refrigeration and limited preparation, have a long shelf-life, a high caloric value, and a "gummy" factor to prevent rapid ingestion, assuring the food supply will stretch as far as possible. Enough food is provided in the sacks to allow the child to share with other members of the family, in many cases. The food sacks are filled with a standard list of foods, purchased from Aldi's and Sam's Club through donations and grants, with occasional supplementation of fresh fruit, when available.

To learn more about this mission, please visit the Childhood Food Solutions website at www.kidsfed.org. For questions you may contact Linda Overholt.

INTERFAITH VOLUNTEERS NEEDED

The Warren County IHN guests are being housed in a motel during the coronavirus pandemic. Volunteer churches have been preparing meals and dividing the meals by family. These meals are then taken to the motel by a driver and delivered to the families.

Our next hosting date is Monday, May 10th. If anyone is willing to help me to put some meals together (bake cookies/brownies, provide a side casserole or two), please contact me. We can work out how I can get the items from you and I will get them to St. Pat's Church. Thank you all!

February Mission Contribution Total: *Caracole: \$1240.00*

Getting to Know You...

Here is the last of the introductions of the new members who joined Lakeview on January 24.

Ed and Jean McEleney first visited Lakeview in the fall of 2017 when they were a part of the Huber family celebration of the baptism of their great-grandson, Lincoln. Both say they felt like they had found a new church home. The only problem—they were living in Norris, TN. Two years later, after deciding they needed to live closer to family, they moved to Chesterwood Village in West Chester. Both admit their choice of exactly where to live in Ohio was influenced by wanting to be a part of the Lakeview church family.

Ed and Jean are no strangers to Ohio. They previously lived in the Columbus area (Sunbury) for 18 years, leaving there to retire in Tennessee in 1993. They loved living in Norris, TN! Both are originally from Boston, where they met and married in 1959, a few months after Ed graduated from UMass with a degree in dairy technology. Their first home was in upstate New York, but they returned to Boston when Ed accepted a job in the dairy division of the USDA. He remained employed by the USDA for his entire career, but they moved for his job to Vermont and then to Columbus.

Jean's primary job during these years was to mother their three children, one daughter and two sons. She had many full and part-time jobs outside the home during this time, the longest of which was serving as the office manager for the National Dairy Herd Association.

Ed and Jean were the oldest children in their families of origin; however, all their siblings are now deceased. Their adult children all live in central Ohio, two in the Columbus area and one in Mt. Vernon. They have two grandchildren, Sarah Huber and her brother, who also lives near Columbus. They are the proud great-grandparents of "three and 2/3" young people, including Lincoln and Arwen Huber.

Ed grew up in the Catholic Church, and Jean was raised in the Congregational Church. Over the years of their marriage they have attended various protestant churches, including a Congregational church in VT and an inter-denominational/independent church in Norris, where they were very active.

When asked about current hobbies and interests their reply was "staying alive and healthy." To this end they have learned to use Zoom for exercise classes at Chesterwood. Jean is an accomplished seamstress who previously quilted and crafted home-made cards. She stated that she left all her craft supplies behind in TN—but she did bring a sewing machine with her and still does some sewing. Ed served on the "Watershed Board" in Norris and served on various church committees.

Ed and Jean had just started to attend Lakeview on a regular basis when the pandemic forced us into our homes. They look forward to the day when they can get to know more people and be more involved in LUCC activities. We welcome them to the Lakeview family and share their aspirations for fellowship in the not-too-distant future!

MODERATOR'S MESSAGE

It's been a whole year of COVID. How do we continue to be a church family when we can't be together? In the Survey we took back in February, the loss of community and the feeling of being disconnected from the church was a big concern of most responders. We took those concerns to heart.

Katie Madden, our former Intern and current Property Manager (and soon to be seminary graduate) has started the Maintenance Minutes to provide regular updates on the facility to help people stay connected. We now have heating and air conditioning, doors and plumbing are being repaired. And the Building Committee is making great progress on the exterior wall. Karen Baumann is keeping track of the expenses and, amazingly, we are confident in our ability to get this done.

But the facility is just part of Lakeview UCC. What's happening with the CHURCH, the people? On March 14 we had the first Second Sunday Lunch and Learn in over a year and used this time to celebrate our Worship Team for the work they have done to keep the spiritual needs of the church moving forward. We discussed the many hurdles they have faced in getting an online service to the congregation, and how different their jobs are today from just a year ago.

Emily Kronenberger no longer directs the church choir or hand bells. Instead, she sings solo music for us, and arranges special music. Sadly, for any music, whether singing or an instrumental arrangement, Emily must ensure we are not violating license rules. Obtaining the necessary permissions and licenses to record and share music online has been a huge drain on her time. And we are so thankful that she has continued doing this ALL YEAR!

Corey Nieman is our Children, Youth and Family lay pastor. In pre-COVID days she was responsible for preparing and implementing Sunday School lessons as well as helping with lay functions. Now? In addition to trying to reach out to our youth, Corey is our Chief Technical Officer, responsible for compiling and uploading those prerecorded sections of the service and broadcasting the live prayer service from her lovely phone.

The entire Peterson family has been integral to our Sunday morning worship services. Todd has led the Worship Team through crisis and craziness, maintaining a sense of normalcy in decidedly un-normal times. In the early days, Robbie and Alicia were instrumental in figuring out which platform to use and how to upload the services. The entire Worship Team has been brainstorming all year about how to stay connected, share the weekly message, make our inadequate internet system and Corey's phone do what needs to be done and be true to what Lakeview is all about. As Carol said at the Lunch & Learn, we do what we need to do to take care of each other.

What do we need going forward. A few things were pretty obvious. Emily needs help with licensing music. **Any volunteers?** Corey will no longer be able to do the recording/streaming of the service once we are back to in-person since she will be working with the kids. **Any volunteers?** If we want to continue an online presence once we are back to in-person, we need a person to handle the technology. **Any volunteers** to write a grant to fund a new AV person?

Can't wait to see you all in person. Get Vaccinated ASAP!

- Jody McOsker, Moderator

PRESCHOOL

We have many exciting activities planned for the children in April. The preschool will be returning from Spring Break on Tuesday, April 6. That week, we will be celebrating baseball's opening day! The children and staff will be wearing their favorite baseball shirt or a red shirt. We will be singing songs, eating hot dogs and popcorn, and playing a little Nerf baseball.

On April 19-21, we will be having a school wide Virtual Art Show. The children will be painting and creating their very own masterpieces. The teachers will be introducing famous artists from the past and present. In the past, the children have enjoyed learning about art and creating their very own artwork. Since we can't visit the art museum, we will be having our very own art display in the kitchen area!

Preschool registration is still in progress. We have openings in the Tuesday/Thursday mornings as well as Tuesday/Thursday afternoon and the M/W/F afternoon sessions. Please check out our website lakeviewucc.com/preschool for registration forms.

We also are accepting camp applications for children 3-6 years of age. These are also found on our website. This year camp themes are Camping Adventures (June 8-11) and Camp Disney (June 15-18).

St. Patrick's Day and Crazy Hat Days

Community Helpers

By Sue Anderson

A N/L friend named George is on a life sentence in FL. After 2 tours of duty in Viet Nam and seeing so much death and destruction, apparently he killed a man, while in a PTSS moment, believing the person was to harm his children. George is of the Native American faith--which is quite close to what we call Christian faith. George sent the following prayer to me, to us. I thought you would appreciate what he sent. It seems so appropriate for these days of illness, death, violence and hate, that we understand the many, who worship as our church membership does, in such close harmony, care and love. God bless you George, and Rickie, and John and James and Greg and Martyn and Patricia and all those rotting in U.S. prisons, waiting to die or be killed by those who believe it is okay to kill, to prove that killing is wrong.

A Lakota Prayer for Family

from the Red Cloud Indian School

Grandfather and Great Spirit, We, as Common People, humbly reach out to you,
at this break of day.

We thank you for this new and sacred day, We thank you for this new and sacred life,
and we understand this.

We thank you for giving us these things and we praise you.

Grandfather and Great Spirit, We ask you to give us direction today,
and provide for our needs, as you are the ONE that understands
Today, we pray for those who are mourning, and we ask that you give them comfort.

We pray for our deceased relatives that you have given them a place of rest,
and that you comfort them and that they be happy with their relatives.
and knows our needs and you can guide us.

Grandfather and Great Spirit, as we walk through this day,
you understand and know everything and we ask
for your protection, blessing, good health and happiness.

And let us not forget our kinship by loving each other in our daily walk in life.
Let us not falter in walking the Lakota way of life with our children throughout this day.

HELP US!

Grandfather and Great Spirit, I humbly ask that you answer our prayers.
Throughout the country, in hospitals and those that need you,
Answer their prayers.

HELP US!

Executive Council Meeting Minutes

Church Council and Executive Committee Minutes, February 21, 2021

Present: Jody McOsker, Todd Peterson, Corey Nieman, Steve Friedhoff, Rosemary Ennis, Karen Baumann, Debbie Kumararaj, Will Huber
Katie Madden, Sandee McAlpine, Lisa Barrows, Molly Miller

Motion to approve minutes from January 31, 2021 made by Karen Baumann, second by Jody McOsker. Motion passed.

Katie Madden opened the meeting with prayer.

Jody McOsker began the meeting by explaining the difference between the functions of Executive Committee and Church Council.

-Executive Committee handles business, physical issues, etc. Executive Committee will meet the third Sunday of each month at 1:00.

-Church Council is for congregational concerns.
Church Council meets quarterly.

Jody asked for the needs for church council:

-Sandee McAlpine (AIM) shared that all is going well. They meet in the fall and lay out the plans for the next year.

The church will be having a Caracole drive next month.

-Pastor Todd (Membership Council) reported that we added four new members last month. Several people from out of town are meeting virtually.

Pastor Todd also noted that we've lost some members, mainly due to death.

-Lisa Barrows (Association Council) said there has been no meeting this past year.

-Corey Nieman (Worship/Christian Education Council) said the worship team works at getting the service pieced together in advance. This allows them to include congregation members in the service. This is being done through apps. Also, there is preparation for getting the service on Facebook. The team is making a great effort at being more creative in worship.

Corey expressed concern about the poor internet service and how it slows down the process.

Corey asked if there are enough programs for adults. She also asked if the book group is part of CE. Corey asked if more people should be doing this besides herself.

Jody stated it should be more people. Others should be working with Corey.

A committee for Christian Ed. is needed.

Jody encouraged the committees to please reach out if there is a need.

Jody asked Pastor Todd when we will return to in-person services. He shared that that the association and conference are working together to develop a plan based on a plan used in Wisconsin. We are looking at numbers- what are the numbers saying?

Also, what is the state saying?

Once we come back, we will worship in a modified setting- social distancing, wearing masks, etc. The leadership team will develop a plan on how the return to in-person will work. The congregation will be notified through email and Facebook.

Katie added that the wall should not keep us from returning in person.

Jody shared the church wide survey results. For the most part, the feedback was positive. Jody believed that the biggest takeaway is how do we meet the need for community.

Executive Council Meeting Minutes.....continued

Rosemary Ennis suggested having separate announcements regarding coffee hour and other special events. Katie discussed the best way to send out messages and updates regarding new events. Jody thought the long email was excellent but asked how can we help people remember special events. Steve Friedhoff suggested adding new events at the top of the weekly newsletter. Debbie Kumararaj suggested making use of Pushpay to send reminders.

Jody announced that we will resume 2nd Sunday Lunch and Learn. March 14 will be the first lunch.

Jody also shared Faith's desire to organize different programs/groups. One idea is a pen pal group. Faith will form a letter to send out to everyone.

Finally Jody asked "what is our path forward?" She encouraged people to think about this and share their thoughts.

At 2:58 pm the group moved to Executive Council.

Treasurer's Report- Karen Baumann

Karen said she will have a very detailed report in time for the LINK.

She announced that we secured a PPE loan of \$24,002. Terry Feucht was instrumental in getting this done. The loan will be forgiven within a couple of months.

The final payment to Axil is due. We had to partially trigger the line of credit for \$17,743.

Karen said we are doing well. Bills are getting paid.

Update on technology: Jody McOsker

Jody announced that we need an overview of our internet. Cincinnati Bell has updated everything they can. Karen Madden suggested looking into what people do in rural areas. The worship team is researching ideas.

Also, Jody said that Natalie and Pastor Todd need new computers. Pastor Todd also needs a new phone. It was decided that new computers are preferred over used ones.

Karen said we have the money to get new computers from the Burgett estate. (\$3,800)

Facilities Update: Katie Madden

We are paying the final installment for Axil. They will do a walk through this coming week. New thermostats are being programmed with Honeywell.

In March we will have a fire inspection.

Things we need to do:

- Repair can light over sink in CE wing. We will replace.
- The circle drive doors, which are fire exits, need to be repaired.
- Many other little things- lightbulbs replaced, door stopper replaced.

There is a leak in Natalie's office. Guaranteed Roofing is coming to assess. Rosemary said this has been ongoing. They will look for more leaks.

Ward and Thornton has been doing snow removal. Katie is in question of the contract. She is not sure of the cost. We are getting billed every time it's needed instead of monthly.

Bill Nichols has agreed to be the executive committee property maintenance chair. He and Katie will work together twice a month. The building committee consists of Katie Madden, Corey Nie-man, Steve Friedhoff, and Dave Maile.

The fence around the dumpster needs to be repaired.

We are buying two new refrigerators- one for the fellowship hall, one for the preschool.

Executive Council Meeting Minutes.....continued

Katie is planning on doing a maintenance minute update each week. This will be done by email and on Facebook.

Steve suggested sending out notices on things that can be done by members- like painting.

Rosemary suggested having a celebration list for members of projects that have been completed.

The Wall:

Brick has fallen off the wall on the tower side. This was predicted by HuDawn.

The exploratory inspection is complete. The maintenance committee is reviewing it. It is not as detailed as hoped. Katie will get with the inspector, Dan, for more details. It is believed that for \$10,000, the report should be more involved.

Dave Schwab recommended hiring Man of God. Man of God and HuDawn have given basically the same proposal for the same price, roughly \$100,000. HuDawn has agreed to lock in their bid through March. Katie is concerned about losing both companies if we don't go ahead and choose someone.

Karen said a congregation meeting is needed for something this big. Steve added that after next week's building committee meeting, the building committee decides on who they recommend. The executive council is notified of the offer and why they were chosen. Then the executive committee makes a motion to go with the company of choice. Finally, a congregation meeting is held. Steve proposed scheduling a congregational meeting on March 21 or 28. Rosemary Ennis made the motion to have the meeting on March 28. Second by Debbie Kumararaj. Motion passed.

Steve brought up the idea that the brick needs to be replaced with something that is similar to what is on the building. This is something the congregation will need to decide.

Jody said that the inspector, Dan, will give two proposals: the cheapest, most efficient method or what can we do to keep the same look.

Steve said there are different costs depending on what is chosen.

Katie said HuDawn has given three proposals with three different costs. Man of God will suggest the long siding.

Jody said the building committee will decide the options and present it to the church.

Jody asked for a motion to adjourn. Molly Miller made the motion. Second by Will Huber. Motion passed. Meeting adjourned at 3:40pm.

Respectfully submitted,

Molly Miller
