

MODERATOR'S MESSAGE

I'm eagerly awaiting the change to fall weather, as I'm sure we all are, but there's more changes to come with that. On a sad note, Emily Kronenberger is stepping down as our music director. She's taking on new challenges and we're excited for her as she continues her education. On the plus side, Natalie is stepping up to take on choir director duties, and Irina will add working with instrumentalists to her current role. Many thanks to the search committee and to Irina and Natalie for making this transition seamless!

As I write this, we are nearing the end of Todd's sabbatical. I'm excited to hear what he learned in his time away and for him to see how the church has continued to grow in his absence. Many thanks to everyone who kept the church running during this time! It was a big job and many people had a hand in keeping it going, so thanks to you all.

I'm also looking forward to kick off Sunday! We've got a great curriculum for Sunday school and I'm sure the kids will love it. I'm also looking forward to when my son is old enough to join in Sunday school, but for now, he's content to make joyful noises in the back of the church.

As I said in the last LINK, I'm continuing to be appreciative of the community of Lakeview. We've pulled together to keep everything running while Todd was on Sabbatical, and I know we'll continue to do that. For example, we had a great group of people help on painting day. But I also love that we support each other too. We are truly a church family and I love that feeling in our church. Here's to going forward as a community as we continue to navigate changes.

CYF *(Children, Youth and Family Ministry)*

Welcome Back!

As Summer winds down and we all return to the “regular life” of the school year, we at Lakeview prepare for our annual Kick Off Sunday (Sept. 11). This past summer saw Pastor Todd on sabbatical, Corey staying in the Sanctuary most weeks and Faith running our Summer Sunday School and we all had a great time, but we are so excited to get back to normal. This year, however, “normal” is going to look and feel a little bit different. Our younger members are growing - in age as well as number - and we want to continue to grow and shift with them in order to best fit their needs.

This year that shift will see more classes - we will be separating into smaller groups that will be closer in age and ability, as well as adding new teachers, activities, and even a Youth Group for our teens that will meet outside of regular worship hours.

We will have a calendar available via email or as a hardcopy at the church beginning on Aug. 30th and hope you will be able to join us for what promises to be a great year!

In our continued quest to find the best way to communicate with our Children, Youth, and Families, we will be using the Band App this year, as well. In the app we will have a calendar that we can easily keep up to date, post pictures and videos and share comments and questions with everyone else. We like this app because it is more secure than a standard Facebook group and all the photos and videos remain the property of the person who posted them (instead of becoming public like other apps).

Please let us know if you have any questions or would like to join us in the CYF program - either as a Sunday School teacher or to help with Youth Group outings.

Thank you again for all your love and support for our Children, Youth and Families here at Lakeview! We are so excited for this new year!

ACTION IN MISSION—(A.I.M.)

Neighbors in Need

The September mission is Neighbors in Need, a special mission offering of the UCC that supports ministries of justice and compassion throughout the United States. One third of this offering goes to the Council for American Indian Ministry (CAIM). CAIM is the voice for American Indian people in the UCC. Historically, the forebears of the UCC established and worked with many Indian tribes in the plains and the Midwest. Today, there are 19 UCC congregations on reservations another American Indian congregation in an urban area. CAIM supports these churches and their pastors, as well as acting as a resource for members of these churches.

The other two thirds of our NIN offering is used by the UCC's Justice and Witness Ministries (JWM) to support a variety of justice initiatives, advocacy efforts, and direct service projects through grants. These include advocating in many areas (civil and human rights, economic justice, global concerns, environmental integrity, peacemaking, and racial justice). A significant portion of grants awarded go to addressing issues of hunger and poverty, as well as projects supporting our immigrant neighbors and communities. This year, due to the continuing Covid-19 pandemic, the UCC determined that the highest priority for our church was to offer relief where possible. Monies have been gathered from a variety of sources, including the Neighbors in Need fund, and a Covid-19 relief fund is formed and active. Throughout its history—from early efforts to abolish slavery to modern campaigns for civil rights and social justice—the UCC has been engaged in these types of ministries. While there is a deep respect in the UCC for the right of every individual member to form his or her own views on these issues, there has always been a passion across the church to “make things right”—as a testament to our faith in God and our love for God's creation.

September is comfort foods:

- Pasta
- Pasta Sauce
- Chili
- Soup
- Crackers
- Canned Stew

Just look for the barrels under the bulletin board in the church lobby. Thank you for your generosity and the positive impact you continue to make in our community for those in need.

ACTION IN MISSION—(A.I.M.)....Continued

FAMILY PROMISE VOLUNTEERS NEEDED

The Warren County Family Promise guests are being housed in a motel during the coronavirus pandemic. Volunteers churches have been preparing meals and dividing the meals by family. These meals are then taken to the motel by a driver and delivered to the families.

Our next hosting date is **Monday, October 24**. If anyone is willing to help me to put some meals together (bake cookies/brownies, provide a side or two), please contact me.

In addition, I need extra help this time. I need a volunteer who is willing to gather the food on Sunday, 10/23 as well as Monday 10/24, put it in separate bags for each of the families, label each bag by family, and drive it to St. Pats in Lebanon where you will give it to whoever is taking it to the guests. I will still make the main course and ensure volunteers needed to make the rest. I will be out of town on 10/24 and need a stand in. If you are willing, please let me know and I will make sure you know everything you need to know. It's not hard!

Thank you all!

Hands-On Mission Opportunity

Childhood Food Solutions is seeking volunteers to assist with the packing of food sacks on Wednesday morning, September 21. These bags will be distributed in the Villages at Roll Hill and the surrounding areas that same day. Packing will begin at 9:30 a.m. and will conclude approximately two hours later. The packing will be done at the Roll Hill Community Center, located at 3691 President Dr., Cincinnati, OH 45225. (The Community Center is located just off I-74.) Childhood Food Solutions has been a Lakeview mission partner for several years. They provide supplemental food to families living in one of the poorest communities in the state of Ohio. **If you are interested in helping on 9/21, please contact Linda Overholt (513-515-8870) so she can provide the CFS staff with numbers of volunteers to expect.**

July Mission Contribution Total:

Washington UCC Back to School= \$1699.16

MARCC = \$165.00

BSA Troop 617

In May we went to Cowan Lake fishing. We cooked and ate what we caught, even learning to fillet a fish and it was scrumptious! We couldn't see across the lake but it was beautiful.

June means Summer Camp. It was packed full of action. Summer Camp is a good chance to get to know other scouts and build friendships. There were a lot of merit badges to choose from. We gathered in the trading post to play a variety of fun card games. During our time at summer camp, we all learned a lot! The closing campfire was a neat way to say goodbye to counselors, staff and friends we made along the way.

In July the younger scouts took a Mini High Adventure and headed to Red River Gorge to go climbing at Via Ferrata. It was a really interesting experience getting to crawl, and scale along the walls. There is also a tight rope walk & suspension bridge. There is a really good view at the top. Our scouts were able to climb through 6 stages that get progressively harder. Props to those scouts who completed "Black Diamond," which is the hardest level! Some scouts made a cake in a Dutch oven, it might not have looked the best but was really tasty and that's all that matters!

The older boys took a high adventure to The Summit Bechtel Reserve in West Virginia. They took part in the New River Experience, a 50-mile paddle trek on the New River, navigating Class I to IV rapids, including a Double Z Rapid Class IV/V.

The Troop is looking forward to a canoeing campout in August and Peterloon at the end of September.

Getting to Know You...

We are beginning introductions of the people who formally joined our congregation in June.

For some of you, **Dave Schwab** needs no introduction, as he was the founding pastor of Lakeview UCC in 1981. Others might like to learn a little about him.

Dave and his wife, **Bonnie**, and two children, **David** and **Julie**, moved to Landen from the Dayton area in 1981, to start a new UCC church on the site of a previously closed predecessor church. **Dave** was no stranger to the Greater Cincinnati area, having grown up in Silverton. He graduated from Woodward High School, attended UC, and then attended Eden Seminary in St. Louis, earning both a Masters and Doctoral degree.

Dave served as pastor of the rapidly growing Lakeview Church until 1999 when he was called to be an Association Minister in northeast Ohio. This was followed by his call to be the Conference Minister of the Ohio Conference. In “retirement” **Dave** and **Bonnie** returned to live in the Maineville area. He has since served several churches in the Cincinnati area as interim minister and most recently “re-retired” from his position as Pastor at Pilgrim Chapel UCC in Mt. Adams.

Bonnie passed away in 2013. Daughter, **Julie Peterson**, a Lakeview member, now shares a home with **Dave**. Son, **David**, lives in Springboro where he operates a landscaping business. **David** has provided his father with four grandchildren, three of whom are now in college.

Dave enjoys frequent travel opportunities with his family members and has been able to continue to travel despite daily home-based kidney dialysis treatments.

Dave is enthusiastic about sports! He is a life-long fan of the Cincinnati Reds and Bengals and all UC athletic teams. He enjoys all sports and previously loved to play golf. Baseball is his favorite sport, and while he served as Lakeview pastor he spent a sabbatical working with a minor league baseball team, the Auburn Astros, a farm team of the Houston Astros.

Music is another of **Dave’s** loves. He shares his tenor voice with The Jubilant Singers, a local group—and we will be hearing more from him in upcoming months as part of the Lakeview music program. He is a loyal subscriber, for over thirty years, to the Cincinnati Symphony and Pops orchestras as well as the Vocal Arts Ensemble of Cincinnati.

Dave has continued to be a great cheerleader for Lakeview over the years and is an enthusiastic supporter of Pastor Todd, who joins the rest of the Lakeview congregation in welcoming **Dave** back into formal membership.

2022 Lakeview Capital Campaign

AS WE LIGHT THE WAY– SEPTEMBER 2022

Greetings from the Capital Campaign Committee! As you may be aware, we “lit the lamp” on January 16th to officially begin the Capital Campaign to pay for the second mortgage from the Cornerstone Fund. By this time you have received your attention getting yellow Intention-to-Give card. If not, please contact the church office and Natalie will get one to you. Remember, it is never too late to complete an Intention-to-Give card. Every single one counts toward our goal! **So far 14 cards have been received.**

There is good news as the actual amount of the loan now stands at \$158,152.81 (as of August 14) since we have been making a monthly payment of \$1043.29 and we borrowed less than the anticipated amount. Also, Lakeview has received \$89,049.52 in gifts to the campaign as of August 14th. **THANK YOU!!**

There was an additional balloon payment of \$20,000 paid toward the principal on May 3 through funds we receive from the Burgett Estate.

Each month in the LINK we will be giving you an update on our progress as the Intention-to-Give cards are tabulated. You can also check out the bulletin board in the narthex. Each lamp post represents \$1,000 received in pledges and the small white board will show the actual amount collected. The total amount pledged as of August 14th is \$134,180.18. **AWESOME!**

If you have any questions or comments, please direct them to the committee:

Karen Baumann, Corey Nieman, and Pastor Todd.

Together we can do this, Lakeview friends and family. Help light the way!

Path Forward Team

Once upon a time, maintaining a functional church was fairly easy. Going to church was the norm. It was expected that even if you left the church as a young adult, you would return to raise your children in the church so they could later make up their own minds about their faith.

Now it's a bit more difficult, to say the least. The Path Forward (PF) team has been studying why people continue to come to church, or why they have chosen to stay away. Some people have gotten out of the habit. Others just no longer feel connected. We have learned, not surprisingly, that the combination of both worship and community are key for a vital, active church. Many people have expressed sadness and frustration at the loss of community post-covid. Bringing people together, reinvesting in fellowship has therefore been a high priority of the PF team.

Kick off Sunday is September 11. Pastor Todd will have just returned from sabbatical. Our new choir, under the direction of Natalie Nolte, will sing; if you are interested in joining the choir please contact Natalie! Our new Sunday school programs will start, with four classes for our kids (nursery, early elementary, later elementary, teen); and Corey is also planning a new Youth Group. Please, contact Corey Neiman if you would like to work with our kids! As always, there will be excellent instrumental music coordinated by Irina Hall. All we need is you. If you are unable to drive, please call Natalie in the church office and we will arrange a ride.

Kick Off Sunday falls on the Second Sunday and that means Second Sunday Lunch. Please bring a dish to pass (or just yourself) and join in celebration as we Kick Off a new school year at Lakeview. Guest presenters will share in creative ways the many programs ongoing at Lakeview. Plan to stay. You do NOT want to miss Dave Maile and his puppets (they're back!), or the special musical number guaranteed to keep you from wanting more! If you can't make it to worship in person, please reach out to Natalie or Todd so we can bring a piece of Lakeview to your door. There will probably be a bit of lunch left over to share.

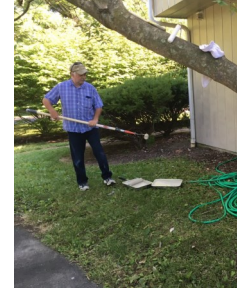

Lakeview UCC is you. We hope to see you there.

PROPERTY TEAM

A HUGE Thank You to all the volunteers that came out to help paint Fellowship Hall on August 13th! It looks great, and we could not have done it without you! Thanks also to Harmony for providing lunch for the team.

By Sue Anderson

About half on our mail list wrote expressing their thanks for the newsletters sent. To those we sent a short letter to about 50 men and a few women. Most of those wrote back and another short letter will go out to them soon. Our P.O. box is open until the end of next January, despite a large raise in price for it. The only contact beyond that may be Christmas cards to those who continue communicating. We cannot continue beyond the current letter except for perhaps Christmas cards/greetings.

Meanwhile, we donated a large sack of new yarn to the ladies at Dayton Correctional Inst. They make many things to donate to Homeless groups, Children's hospital, and other charities. They are most grateful for your help. With any funds left in final Prison Ministry budget, plus any private donations from Lakeview friends of yarn or cotton materials (any leftovers you want to send) will be sent to their Community Service Director. Those and whatever I purchases from the final budget, will help those, mostly elderly, ladies, as they use their days to help others. If you have material (cotton) or yarn leftovers to donate, there will be a drop off area in the narthex during the month of September.

A final request: Please pray for help for Patricia Wernert, imprisoned at age 35, and now in her 80's. Most folks don't know the system, or how to hire an attorney, or prove their innocence. Pat has a perfect behavior and work record, but the parole board continues to automatically deny her release. She has no help in dealing with it. Patricia is the one who led us to donate books to DCI library, and to give material and yarn to help the (mostly older) women help others. The Ohio Justice and Policy Center has been working on her case to get release for her. No satisfaction despite their efforts. Last I heard from Pat she was still working with the dog training program as she has for several years--hard to train a dog that lives in the cell with you, that you have to take out despite the weather, (no boots, warm clothes, no umbrellas, etc.) So keep her and others in our prayers.
